

ADONE

Sitting room

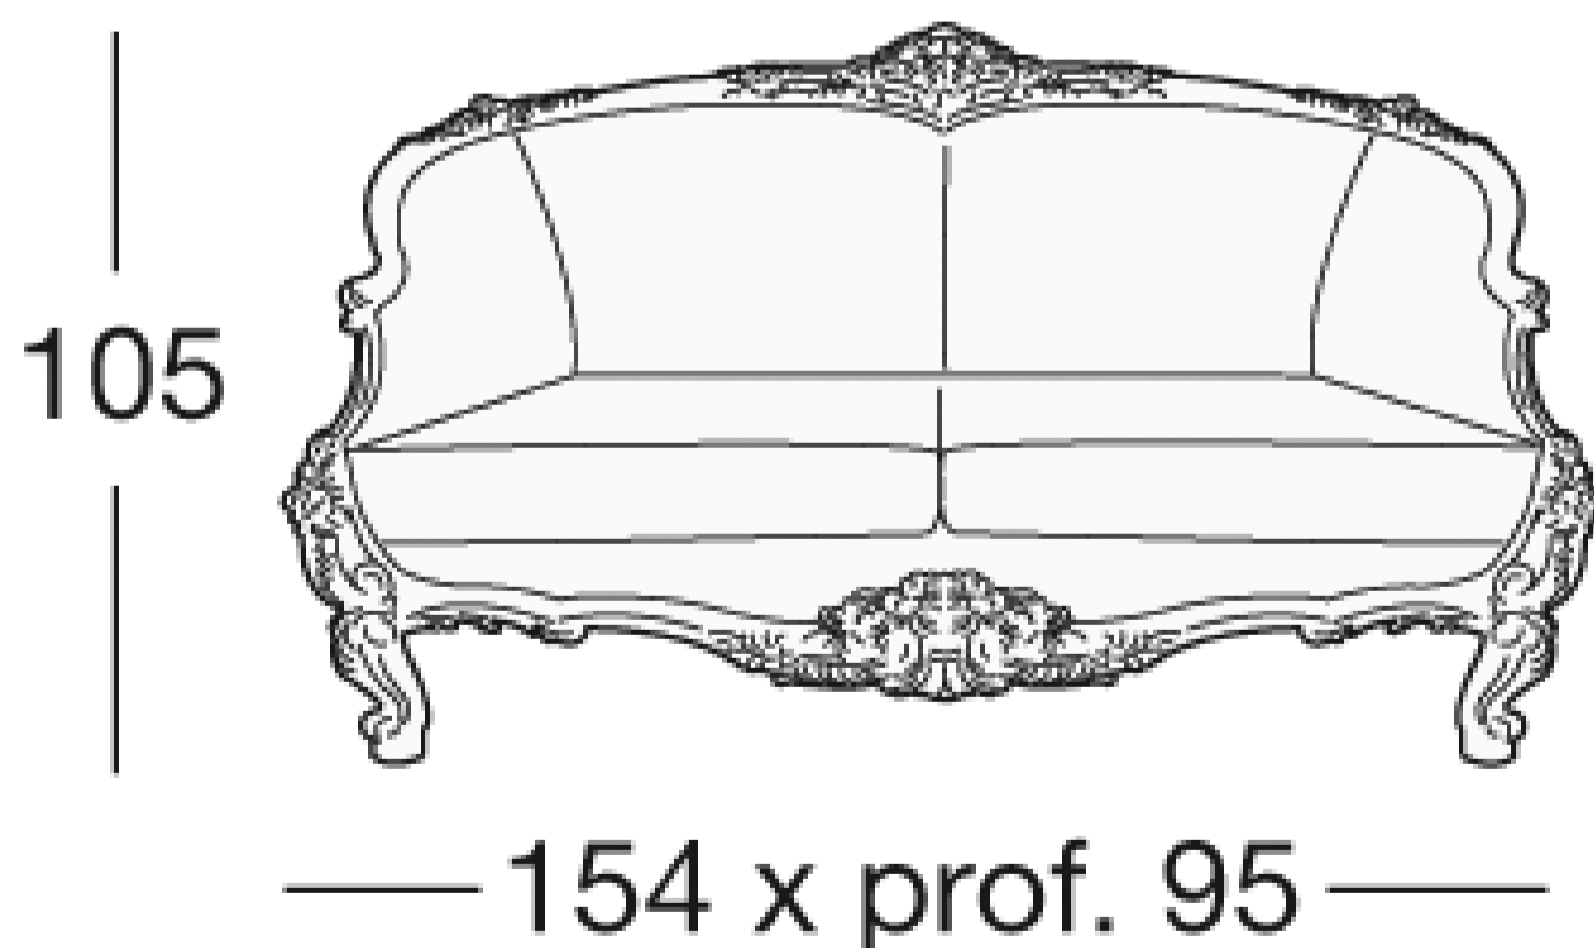

The Adone collection has six items: a comfortable and cozy armchair, a two-seater sofa, and a larger three-seater sofa more than two meters long. The tables of this set are three of which one round elegant and immediately recognizable for the important friezes. The impressiveness of these products has the ability to furnish a room with a unique and unforgettable style.

Sofa

2/3-seater sofas are recognisable by the unique baroque carvings around the classic styled upholstery. The luxury of these seatings is extreme, always maintaining high level of elegance and each customer's need.

Armchair

Adone Armchair is characterised by a comfortable embracing seat and a luxurious structure decorated by carved details. Elegant daisy flowers at the seating base are the main feature to recognize this item. Soft linings of the crown enclose the high-quality upholstery made by high qualified masters.
