

AUGUSTA

Sitting room

Modern, elegant, and sinuous, the Augusta collection manages to fascinate everyone. The elegant and almost modern upholstered are an optimal solution in any corner of the house.

The Augusta set, born in 2020, also becomes the protagonist in relaxing spaces outside the classic living area. The armchair, simple and fully upholstered, is a real must have by Silik.

AUGUSTA

Coffee tables

This table set distinguish itself implementing the modern shapes and lines. Drop shaped legs, carved with long leaves, are the main particular of these tables. Both articles are perfectly matching with the rest of the collection and with every part of the house: recognisable and timeless pieces of Italian design.
