**Sitting room**

**Grandeur, charm, and prestige: these are the three main adjectives related to Ermes living room. The armchair, the sofa and the two tables create a truly extraordinary ensemble capable of making any room the protagonist of the house. The floral friezes with long stems and sinuous leaves give an idea of timeless elegance.**

Coffee tables

Ermes collection is completed with two elegant side tables of 63cm height to decorate the place in the better way possible. The two articles: one square based and the other rectangular based are finely carved and decorated by elegant frieze. Table tops are realized either with plain finish or elaborated classic hand painted decoration according to the customer's taste.
