

MERCURIO

Sitting room

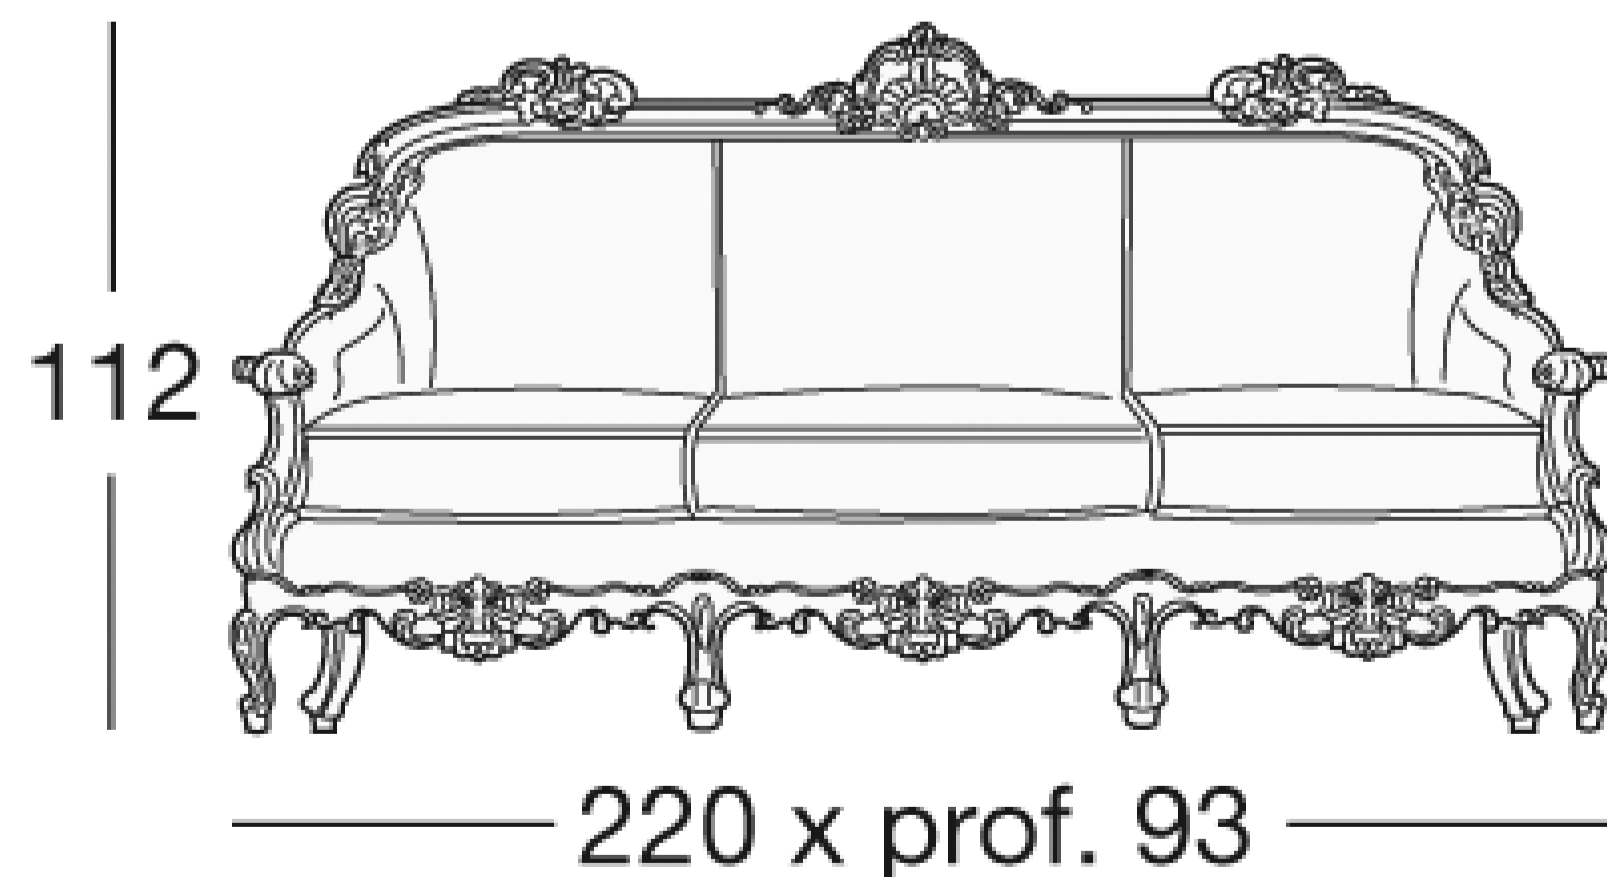

Tables artfully worked with crystal tops, important and impressive upholstered items: these are the characteristics of the articles that make up the Mercurio collection signed Silik. Four products crafted with volutes and soft carvings representing flowers, leaves which intertwine with each other. Everything in this set arouses wonder and refined theatricality.

MERCURIO

Armchair

The details of Mercurio armchair are the expression of luxury and wealth. Delicate flowers, long leaves and wide volute make this craftsman-made armchair a unique and unforgettable piece. Any finish can intensify the beauty of this work of art.

MERCURIO

Art. 895 - 897

Armchair

Tables belonging to Mercurio collection are characterized by strongly carved base with sumptuous lines that highlight every single detail in the composition. Round corner shaped crystal tops are decorated with a gold garnish that refers to the rich baroque style.
