**Bedroom**

**With a style that winks to the great furniture in the Louis XVI style, Perseo is one of the most linear and rigorous bedroom collections. The large volutes leave room for long, clean, and supple lines. The furniture legs are tapered and cylindrical. Perseo is synonymous with refinement and good taste.**

Mirror

The mirror of the Perseo collection recalls the rigorous simple lines that characterize the whole set as well as the charming crown on top of the bed headboard. The result is an elegant mirror, simple but of great effect ideal for a luxurious bedroom. Perfect if placed above the dressing table of the collection, it gives a corner of pure class.

Bench-chair

The bench is a particular accessory that enriches an environment such as the bedroom or, a walk-in closet. Placed at the foot of the bed, in a corner or near a dressing table, the bench remains one of those items that matches all the collections. The finish and the fabric will make the real difference.

Pouff

A fundamental accessory in any bedroom, the pouf is the detail that characterizes some corners of the room. With its 48 cm height it is perfect to be placed as a comfortable seat in front of the dressing table to comfortably take care of themselves. Finishing and choice of fabric will be the real characterizations of this small article always present.
