

SENECA

Sitting room

The collection of the Seneca living room, albeit new, is already widely known. This set is made of armchair, two- and three-seater sofas and two coffee tables that wink at modern furniture.

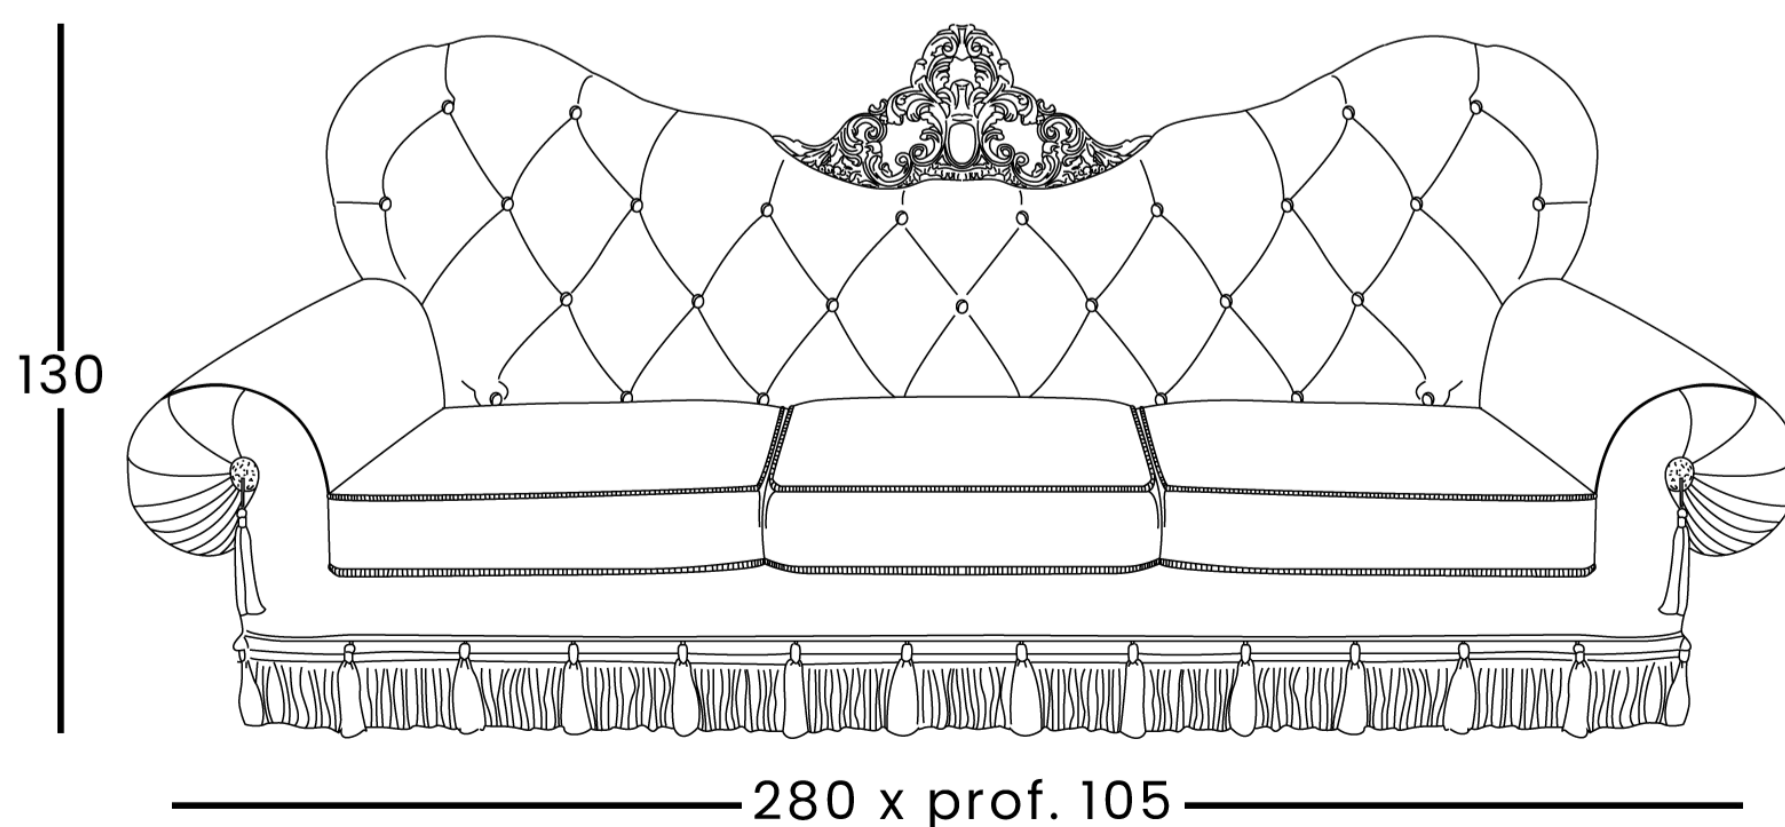

The upholstered items have only one Baroque-style crown while the rest is completely covered. Soft, wide, and comfortable, are the main adjectives related to the three-seater sofa Seneca.

Armchair

Seneca collection differentiate itself from the rest of the others SILIK collection. Even though the design is more modern, the features of abundant and sinuous shapes are still a thing. Fully upholstered armchair presents a wide capitonne heart-shaped backrest decorated on top with a hand-carved crown. Seat and armrests are comfortable: guarantying the perfect comfort.

Coffee Table

Seneca table set distinguish itself implementing the modern shapes and lines. Drop shaped legs, carved with long leaves, are the main particular of these tables. Both articles are perfectly matching with the rest of the collection and with every part of the house: recognisable and timeless pieces of Italian design.
